WHO: Leadership expert Jan Margolis, founder and managing director of Applied Research Corporation

WHAT: As a distinguished panelist, Margolis will contribute her expertise in the areas of leadership and development at Future Pharmaceuticals magazine's, "Training and Learning Executive Panel Discussion" podcast

WHEN: The "Training and Learning Executive Panel Discussion" will be held on Thursday, November 1, 2007 at 11:00 a.m. to 1:00 p.m. EDT

WHERE: Dial-In Number: (513) 241-0892
Toll Free Dial-In Number (866) 809-6529
Conference code: 6117495

DETAILS: Published by Analysts In Media (AIM, Inc.), **Future Pharmaceuticals (FP)** magazine presents insightful analysis of current important events, developments, and trends in the pharmaceutical world. Sponsored by FP, this podcast will examine training and learning with a focus on the challenges and trends of training and development. Session attendees will gain detailed insight on how to ensure success for their organizations learning projects and stay ahead of trends in the learning curve as it applies to training and development. Attendees will focus on talent management impacting learning initiatives and how to keep young adults engaged in learning. Can technology solve the challenges of development and learning? Learn how technology can or can not help and receive information on training and aligning competencies and initiatives from the C-suite to the doctor's suite.

Margolis is co-founder and managing director of Applied Research Corporation, a specialized leadership development company focused on assessing, coaching and talent management. She embodies the rare blend of entrepreneurship and coach to C-Suite executives in a

multiple of industries. Much of her know-how stems from insider experience in boardrooms and management committees.

Jan was senior vice president at Bristol Myers Squibb responsible for Executive Resources and Vice President for Executive Development at Bankers Trust Company. In her varied career, she also was co-producer and on air host of the award winning weekly, PBS primetime news show - Women: Choices and Challenges.

Margolis is a founding member of the National Association of Corporate Board of Directors-NJ and a trustee for Trinitas Hospital, the Arts and Education Council of NJ and a board member for the Chamber of Commerce and with the Clausen Company. She also was the first woman elected as President of the American Society for Training and Development.

She holds a master's degree in behavioral science from Boston University and has taught at Georgetown and University of Maryland.

She has published numerous articles on leadership and her book, Why Leaders Fail, is due out in 2008.
